

HANDY PAINTERS TOOL BAG LITE

The Handy Painters Tool bag LITE helps painters stay organized and get the job done with ease. This ultra-durable, water-resistant tool bag is built to last and keeps tools tidy and on-board. The LITE bag is made to open on both sides to allow easy access while on the job. Numerous storage compartments are designed to keep tools conveniently organized and protected in one location. Storage for applicators, spray tips, tape, paint pails, screwdrivers, phones and water bottles are included in a compact, easy-to-carry design.

*Tools and accessories not included with bag
